

Application No. 09/575,845
Request for Suspension of Action and Supplemental Amendment

REMARKS

This is a supplemental Response to the Office Action mailed February 23, 2005, in which a three (3) month Shortened Statutory Period for Response has been set, which expired on May 23, 2005. The Examiner issued an Examiner's Suspension of Action dated September 15, 2005, for three (3) months, which expired December 15, 2005, to allow Applicant to prepare amendments to put the claims in better condition for allowance. Applicant's representative expresses gratitude to the Examiner for his time and effort extended in telephone conversations and his suggested amendments to the claims.

Claims 1-3, 5-20, 22-37, 39-42, 44-47, 49-52, 54-57 and 59-62 are currently pending in this application. Claims 4, 21, 38, 43, 48, 53 and 58 were previously canceled. Claims 1, 15, 18, 32, 37, 47, 52, 57, 60, and 61 are currently amended per telephone conversations with the Examiner. Claim 35 has been amended to address typographical errors. No new claims are currently added.

Applicant believes that no fee is due by way of this Response. However, the Director is authorized to charge any fees due by way of this Response, or credit any overpayment, to our Deposit Account No. 19-1090.

Applicant respectfully submits claims 1-3, 5-20, 22-37, 39-42, 44-47, 49-52, 54-57 and 59-62 are allowable over the cited art, as previously discussed with the Examiner. In an Advisory action mailed November 19, 2004, the Examiner agreed that Applicant's reply overcame the rejection of at least claim 1, and stated that "the prior art of record does not teach a method of and system for displaying one or more shopping lists and for enabling a user to click on one icon or trademark, from at least two displayed icons or trademarks, to print at least one shopping list and determining which one of the two icons or trademarks was used to print the at least one shopping list."

Applicant also wishes to note that the title as amended in an Amendment dated June 8, 2004, which was approved by the Examiner in an Office Action dated August 2, 2004, is also not displayed on the PTO's private PAIR portal.

In view of the foregoing, Applicant submits that claims 1-3, 5-20, 22-37, 39-42, 44-47, 49-52, 54-57 and 59-62 in this application are allowable over the cited prior art. Applicant respectfully requests that the Suspension of Action be terminated. In the event the

In closing, Applicant respectfully requests the Examiner to reconsider this application and its early allowance. Again, Applicant's representative thanks the Examiner for his prompt and courteous attention.
